street, Sunday evening from 6 to 8 o'clock, to which any who are in the city away from home and all new-comers are cordially invited.
The Christmas entertainment of the church school will be held Wednesday afternoon December 27 at 3:30 o'clock in the church school rooms of the church. Parents and all interested are specially invited.

EPISCOPAL
First Presbyterian church, Sixth and King streets, Claude R. Shaver, minister.
Thoughts appropriate for the Christmas season will be expressed in both music and discourse of all our worship tomorrow.

Morning worship at 10:30 will reflect "Light From the Real Christmas Day" as applied to the Annunciation message of long ago. Surely it is worth while to catch new glimpses of the deeper meanings of this day, which is so often overlooked with secondary matters. The choir will render "Nightingale's 'Birthdays of the King'." Evening worship will have the unusual form of "Carols of the Nations" of which fuller announcement is made in another column of this paper. The time is 7:30.
Bible schools meet as usual in the church at 9:45 a. m. with classes for all ages. Martin Stenerson, superintendent. Senior school: Mrs. P. H. Scofield, Junior, Grace chapel school, Mrs. E. Cronin, superintendent, meets at 2:30 p. m.

A "Christmas tree program" by the various sections of the Bible schools will be given on Tuesday evening in the auditorium beginning promptly at 7:30 o'clock.
Fellowship League, our men's organization, will support the Wednesday night meeting by a rally of all forces.

and a discussion of the topic: "The Church: The Greatest Fellowship." Afterward the men will adjourn to the Y. M. C. A. for a fraternal volleyball contest. Of course the ladies are invited also.
Our "Good Cheer" fund will need the offering of which you were given a special envelope on last Sunday. Be sure to bring it when you come tomorrow.
A rare collection of Hoffman's pictures of the life of Christ will be shown at our evening service one week from tomorrow. Together, with illustrated Christmas songs.

* * * * *
North Presbyterian church, Avon and Logan streets, John Newton Strain, minister.
Sabbath school at 9:45.
Morning preaching service at 11. Theme: "Good news." The best of the world has ever heard. Christmas is a challenge to all men. The world round of good news, the greatest the world has ever heard. Christmas is the greatest boon the world has ever received. Taking it upon the lowest level, there has been no boon to business, that has ever impelled to business that "Christmas has" and though this is the greatest boon the world has ever received to successful business, this is the lowest of the many blessings Christmas has given to man.
There will be special music at both services. In the morning Gerald Peterson will sing.
Evening service at 7:30. Ben Hur, a Tale of the Christ. Old and young from the youngest to the oldest person, from the most cultured to the unlearned, all will enjoy this great story. The pictures are made by the best slide maker of this continent. They are true to the time of the story. Come early if you expect to get a seat.
Mid-week Bible study Wednesday evening, "The Demonic of Gadara."

WISCONSIN SCOUTS ACTING AS AIDES TO SANTA CLAUS

Many of Boys to Enjoy Holiday Camps During the Christmas Vacation

MILWAUKEE, Wis.—Boy scouts throughout Wisconsin are busy acting as aides to Santa Claus. In practically every city and town hundreds of broken dolls and other playthings have yielded to the careful treatment of the scouts who have set injured limbs and transfused new life into worn-out toys.
Other good turns which the scouts have been performing are the filling and delivering of Christmas baskets for the poor, supplying food for wild birds on reservations, as well as for birds that frequent city parks and yards, helping Christmas shoppers on and off street cars, entertaining orphans, crippled children, and shut-ins by radio concerts, Christmas parties, and demonstrations of scoutcraft. The boys in many localities will assist community tree festivities by singing Christmas carols and by rendering very practical aid in police duty among the crowds at the ceremonies.
During the days following Christmas, many scouts by the thousands will enjoy holiday camps. Where the boys swim and fished during the summer, they will now skate, snowshoe and hold skiing contests. Scholarship of fathers and sons is being constantly strengthened by the increasing number of fathers who spend vacation periods and week-ends with their boys at the scout camps.
Another feature of the holidays will be the reunion in many cities of scouts who are now attending college.

PROTEST DISMISSAL OF MICHIGAN GAME WARDEN
ESCANABA, Mich.—Sportsmen of Delta county are reported to be indignant over the dismissal of Deputy Game Warden Herman Leisner by John Baird, head of the Michigan conservation committee. Leisner's dismissal came as a result of his alleged refusal to concur with Mr. Baird's proposal of abolishing the bounty on wolves and other predatory animals and appointing a number of state trappers to exterminate them.

HIGH SHADES ARE SEEN IN NEW FROCKS

Velvet first. Shown in the blackest black and in soft-hued, complicated Paisley patterns. These are most popular, but then come brown and blue with all the bright light colors starting for evening wear.
Silk crepes. Satin crepe, Canton crepe and the new flat crepe are most popular, but no silk with the slight preference to a crinkle in its weave is out of the running. Paisley printed crepes are the season's best sellers.
Chiffon. Most fashionable for evening wear in high shades, of course.
Velveteen. Seen only in black and blue, but very popular for afternoon frocks.
Charmeuse. A new incarnation of this heavy, supple silk that used to be black or brown and is now all the colors of a futurist sunset.

CHRISTMAS CARDS CHANGING CLAIMS MILWAUKEE MAN

Religious Sentiment Coming Back and Cards Begin to Give True Christmas Message

MILWAUKEE.—That the character of Christmas cards, the creeping back of the religious sentiment, with illustrations such as the star over Bethlehem, is taking place, is the belief of Dr. F. G. Bakner, executive secretary of the Federation of Churches. He said there was a decided change from the cards offered on the market a year ago.
"It was practically impossible a year ago to obtain Christmas cards telling the true message of Christmas," said Dr. Bakner. "I know people who refused to send cards last year because they couldn't get the proper kind."

The Milwaukee federation was one of the first in the United States to urge the return of the religious sentiment in cards and the movement was later taken up by the Federal Council of Churches. A committee was chosen a year ago by the young people here to study the question.
"Today both wholesale and retail houses have big supplies of the old-time cards," said Dr. Bakner, who has a collection of cards from Milwaukee stores showing the difference in the sentiment expressed this year.
"Some places I looked in last year didn't have a thing in the religious line. This year they were well supplied."

RAID ASHLAND PLACES
ASHLAND, Wis.—Federal Prohibition agents raided two soft drink places Friday and reported finding a quantity of moonshine in each. They arrested Dan Motken and Paul Sommers on charges of liquor law violation. Both men were arraigned in circuit court and denied the charges. Motken's bond was fixed at \$500 and \$2,000 was set as the bond for Sommers, who already was under \$1,500 bond in two other liquor cases.

**FARMER ARRESTED
FOR FAILING TO
CARE FOR STOCK**

* BIRCHWOOD, Wis.—For leaving his team without shelter and with nothing to eat except what the horses could browse from beneath the snow, H. L. Wells, a resident of Washburn county, was arrested by M. L. Garland, Washburn county humane officer. Some chickens owned by the man were minus their feet as a result of the cold weather. Wells was found guilty of cruelty and ordered to sell his stock and leave the county.

Helen Joy, Fanchon Campbell and Brandon Evans playing the three leading characters in the great Rinehart Hopwood dramatic sensation "The Bat" which will be seen at the La Crosse Theater on Tuesday, December 26th.

MOVIES

RIVIERA TODAY

"Calvert's Valley," a William Fox production starring John Gilbert, will be the attraction at the Riviera theater today. In addition to the star the cast contains such well known names as Sylvia Browner, Philo McCullough, Herschel Mayall and Lulu Warrenton.

While mystery is one of the main elements of the picture, the spectator being kept in suspense until the very end, it also carries the golden thread of a charming love story.

"OMAR THE TENTMAKER"
The lengths to which the producers of high grade motion pictures go to secure realism is strikingly demonstrated by "Omar the Tentmaker," starring Guy Bates Post, which is coming to the Rivoli theater on next Wednesday.

Richard Walter Tully, the author and producer of this photoplay, spent three years in the actual writing of it, but before that he had read everything written by or about Omar Khayyam, and had spent a considerable period in Persia, absorbing local color.

For this production he imported a large quantity of costumes and furnishings from Persia and engaged a Persian expert to supervise the settings in order that no incongruity spoil the effect.

The star himself was required to read Omar's literary output in order to fit himself to portray the part with the proper touch and feeling.

"SURE FIRE FLINT"
Speed, comedy, action and drama—all mutually interwoven in a mélange of six fast reels of action is promised the patrons of the Rivoli theater tomorrow, in "Sure Fire Flint," featuring Johnny Hines.

The story of "Sure Fire Flint," adapted from the story of the same name as it appeared in Ace High Magazine, and written by Gerald C. Duffy, has all to do with the hectic experiences encountered by Flint, and aptly nicknamed "Sure Fire Flint," because of his dynamic temperament and his utter disregard for danger and the soft, easy path of least resistance.

According to the advance reports, Flint craves excitement and each reel finds him involved more and more into hazardous situations that give this production every conceivable kind of a kick.

STRAND TODAY

Seven cameras were trained on Rebe Daniels, Conrad Nagel and Adolphe Menjou during the filming of an exciting light scene between the latter two in "Stripped Wings," for Paramount, featuring Miss Daniels and Conrad Nagel, and which is at the Strand theater today. Every possible angle was made use of by the camera men to get results.

The danger of breaking Mr. Nagel's head was extreme. "There were possibilities of severe cuts. It was for this reason that so many cameras were trained on the scene. Only six pictures were taken. They were good and part of each serve to make up a most exciting episode in "Stripped Wings."

CASINO TODAY

It's one thing for a man to be penniless, without friends or shelter, but it is a far different thing for a young woman such as Miriam, played by Elsie Ferguson in "Outcast," which will be the feature attraction at the Casino theater today. Miriam had lost her baby and her husband. The former died, the latter deserted her, driven from her home because she

was penniless, without friends or shelter, but it is a far different thing for a young woman such as Miriam, played by Elsie Ferguson in "Outcast," which will be the feature attraction at the Casino theater today. "THE BAT"
The sale of seats for the coming presentation of "The Bat" at the La Crosse theater on Tuesday, December 26, opens today. Manager Koppelberger of the La Crosse theater, declared yesterday that there is greater interest being manifested in the forthcoming visit of "The Bat" than he has often seen in advance of a theatrical event. This is the play that broke all theatrical records for the amount of business transacted during its run of more than two years in New York, as well as establishing new marks, both for the amount of business done and for the length of its run in Chicago, where it played one solid year, and London, where it is still playing to absolute capacity though it opened there nearly a year ago.

"The Bat" comes here, staged exactly as it was presented in New York, Chicago and London, and played by an exceptionally fine company.

"THE RED WIDOW"
The new 1922 version of "The Red Widow" is coming to the La Crosse theater New Year's matinee and night. Local players have been looking forward with pleasurable anticipation to the appearance of this big metropolitan musical success and from all indications they will not be disappointed, for it is coming with its complete New York cast including George Damaral and Myrtle Vail who will be remembered as the stars of the famous "Merry Widow." In addition to Mr. Damaral and Miss Vail there is a large company of fifty singers, dancers and comedians and the famous "Red Widow" chorus of naughty girls gorgeously gowned.

SCHOOLS MAKE RECORD
GREEN RAY Wis.—Green county schools made a record during American Education week, which few counties in the state can equal, said E. A. Seymour, only 75 of the teachers have sent in their report of school visitors during that week and yet records show that 3,500 people responded to the request that schools be visited during Education week.

INVENTS NEW LAMP
Said to be Whiter and Cheaper Light than Electric or Gas.

WASHINGTON, Patents have been granted by the Government to a lighting engineer by the name of Johnson, on a new lamp for burning ordinary kerosene oil. This lamp produces a vapor from the oil which makes a blue flame that incandescences a mantle, and thus creates a very strong, soft, pure white light. As it consumes only 6 1/2 oil mixed with 94 1/2 air, it is exceedingly economical. Said to be very simple to operate, odorless, noiseless, and dangerous.

C. L. Johnson, 609 W. Lake Street, Chicago, Ill. He also wants local distributors and has a very unique selling plan to offer agents. He is even offering to give one free to the first user in each locality who will help introduce this new light.—Advertisement.

WINONA MEN CAUGHT WITH 'MOONSHINE' IN THEIR POSSESSION

WINONA, Minn.—Two men were under arrest today on a charge of manufacturing illicit liquor following a raid in which a copper still, 150 gallons of mash, and four gallons of moonshine whiskey were seized, while the proprietor of a soft drink saloon was fined \$100 and two other establishments were searched in vain as a result of Winona police activities over a 24 hour period.

Stans Cyert, 29 years old, 910 East Broadway, and Joseph Verdick, 37 years old, residing in a houseboat near the Burlington bridge, were arrested when police raided a barn on Steuben street between Fifth street and Broadway late yesterday, and found a still in operation. It was announced by Chief H. C. Riebau.

George Fockens, 27 years old, proprietor of a soft drink establishment at 115 Main street, whose place was raided by Officers Winkels and Bronk yesterday, pleaded guilty today before Judge J. J. Fitzpatrick in municipal court to a charge of maintaining a nuisance by selling and keeping liquor for sale. He was fined \$100. Police reported that they found a small quantity of alcohol in a container behind the bar.

ADVERTISE GUERNSEYS
MANITOWOC—Manitowoc County Guernsey men in meeting here voted to inaugurate a campaign for advertising of Guernsey products and a special committee was named to take charge of the campaign. CENTERVILLE MILL DESTROYED BY FIRE WITH HEAVY LOSS

Damage estimated by the owners at \$7,000 was caused by fire which totally destroyed the West Prairie flour and feed mill near Centerville, Wis., and all its contents of 1,000 bushels of grain Thursday evening. The loss was not covered by insurance.

The fire started about 7:30 p. m. in the basement of the mill, which is a three story wooden structure about 30 by 80 feet in size. A spark from the exhaust pipe of the power engine igniting the oil on the floor started the blaze.

Theodore Harris, son of Mr. and Mrs. Charles Harris, sole owners, was in the basement at the time. The flames quickly swept to the upper floors and in an hour the mill was in ruins.

The Connecticut river is famed for its shad fisheries.

REPARATIONS TAKES ATTENTION OF WALL STREET PAST WEEK

Morgan Statement Scotches Rumors that International Loan Was Being Considered

NEW YORK.—The Morgan reparations question overshadowed all other subjects of discussion in this week's financial markets. Attention was centered on this problem by the announcement of J. P. Morgan & Company on Monday that they had notified the German ambassador that no international loan to Germany could be considered or discussed unless and until the reparations question was settled. The statement was issued to set at rest a flock of rumors that were making it embarrassing for international bankers.

The main body of stocks showed few important changes, although there were several interesting movements in individual shares. The most spectacular of these took place in Mexican Petroleum, which opened Thursday at 22 1/2, advanced to 23 1/2 in sales of 100 shares and then dropped back to 22 1/2 for a net gain of 12 on the day.

Related covering by trapped short interests was ascribed as the reason for the sensational rise. Baldwin also was active at rising prices, closing the week at 28 1/2 points above last Saturday's final figure. Several new high records for the year were made during the week, including Fisher Body, Ford Motor, General Motors, Chrysler, and Stewart-Warner.

Business prospects continue encouraging. Weekly reviews of the iron and steel industry declared that year-end activity was unusually high and the seasonal shut-downs in the motor industry will be the shortest in history, present indications pointing to another record-breaking year in 1922. Wheat also sold at record prices during the week.

Additional evidence of the enormous loss incurred by the railroads because of the shipment's strike was seen in the action of the directors of the Great Northern railroad in cutting the preferred dividend to five per cent from seven, a rate which had been paid without interruption since 1909.

Morgan's divided announcements came out during the week, bringing the long-suspected distribution in the first few months to approximately \$2,000,000,000. Official announcement was made during the week that neither the General Electric company nor the United States Steel corporation contemplated such action, denying rumors to that effect.

Money rates were sharply easier. Few important changes took place in the foreign exchange market, demand sterling holding fairly steady around \$164 with other European rates showing slight improvement.

GRANDPARENTS BURY BODY OF INFANT IN CHICKEN YARD

APPLETON, Wis.—Admission of Mr. and Mrs. John A. Burk, Kaukauna, that they buried the body of the infant daughter of their daughter, 121st Burk, 20, beneath a chicken coop in the backyard of their home at Kaukauna, has resulted in an investigation as to the cause of the child's death. The grandfather said the child died eight or nine days after birth. The death was discovered when the physician, caring for the mother, inquired about the baby's condition and was told that it had died.

After a grilling, the grandparents admitted that the child's body was buried in the chicken coop. The body had been examined and the district

attorney's office is investigating. It is said they are working on the theory that the baby died of starvation.

CLAIMS MILWAUKEE CAN HAVE PULITZER RACE IF DESIRED

MILWAUKEE, Wis.—Milwaukee can have the 1923 Pulitzer airplane races, and the national balloon race if the people of the city so desire, Frank A. Vaughn, president of the Aero Club of Wisconsin, said.

"Milwaukee is advised in a letter from E. Russell Shaw, executive vice chairman of the National Aeronautics association, that if the city will bid for the national balloon race, it will undoubtedly be awarded to Milwaukee," said Mr. Vaughn.

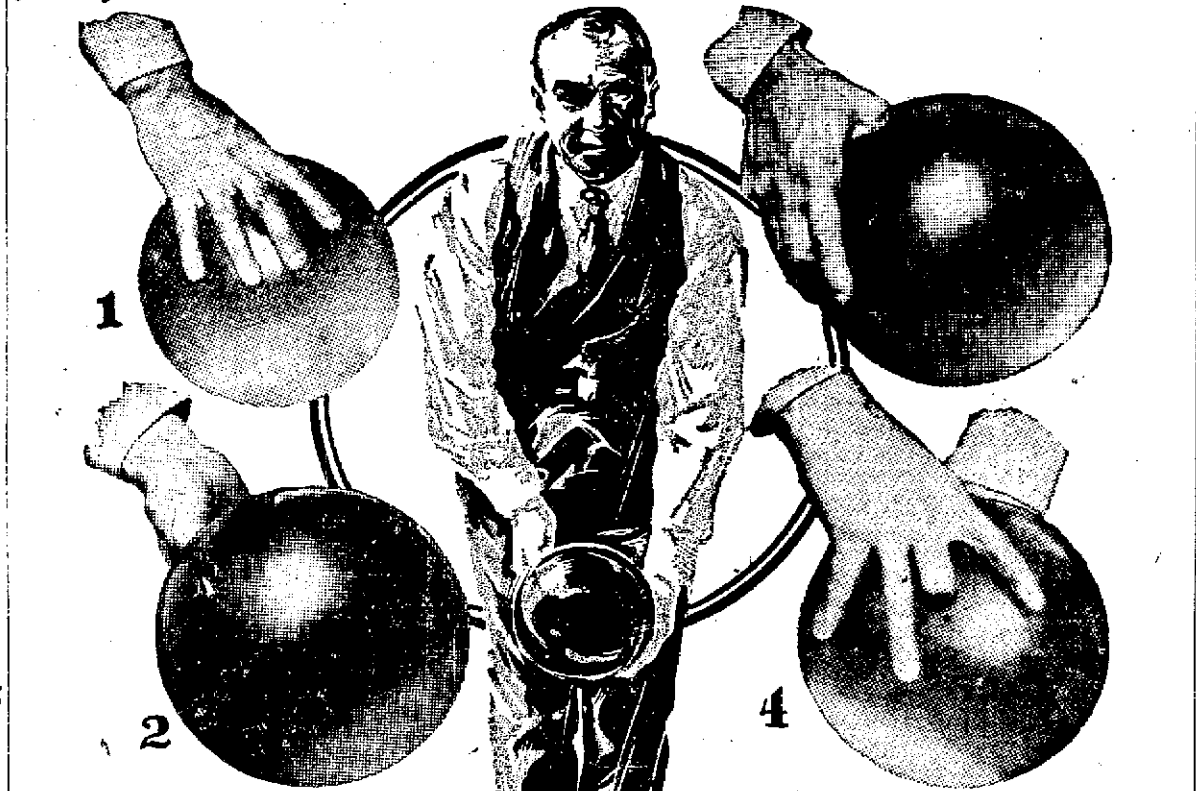

The following other cities will be represented at the Tournament: Anigo, Ashland, Baraboo, Beloit, Chippewa Falls, Eau Claire, Fond du Lac, Green Bay, Hudson, Janesville, Kaukauna, Koshong, La Crosse, Madison, Manitowish, Marinette, Marshfield, Menasha, Merrill, Milwaukee, Oconto, Oshkosh, Portage, Racine, Rhinelander, Rice Lake, Sheboygan, Stevens Point, Superior, Two Rivers, Watertown, Wausau, Wisconsin Rapids.

Appleton Elks have every reason to think the Tournament will come up to the highest expectations. The principal reason is the Wisconsin State Bowling Tournament at Green Bay, Jan. 25 to Feb. 20. It is expected that many bowlers, members of the order, who otherwise might not take part in the tournament here, will be induced to make the trip to both cities because they are near each other. Many teams in the southern part of the State which took part in the state tournament last year at Madison in preference to Elk Tournaments here a year ago, will be certain to invade Appleton.

The first move made by the bowling committee here was to secure especially reduced rates to Appleton for all out-of-town bowlers. One and one-half of the regular rate will be the round fare.

Jimmy Smith Gives Some Valuable Pointers On Ten-Pin Game

Football is Over, Bowling Now Popular

By BILLY EVANS

With football out of the way, bowling will soon come into its own. While the ten-pin artists have been whaling away at the pins for several weeks, the real rush to the alley starts with the close of football and the coming of cool weather.

Do you bowl? If not you are failing to take advantage of a great winter pastime.

Like all other sports, proficiency in bowling is largely a matter of form. If you play golf you know there is a certain right and wrong way to make the various shots. That goes for bowling. There is a proper way to approach the foul line, a correct manner of holding the ball and letting it go.

In golf one hears much of the follow through, the proper stance, the correct manner of holding the club and swinging at the ball.

Form Means a Lot
In bowling, you must first grip the ball in the correct way. You must approach the foul line so that when the ball is started down the alley, your position is such that the ball will carry on a direct line for the object at which you are aiming.

An improper turn of the wrist, the wrong foot forward as the ball is started down the alley and direction is lost.

In golf the beginner is always thinking of getting distance to his driver, in bowling the novice feels that he must get much speed on the ball in order to knock over a flock of pins.

There is much more to bowling than the mere throwing of the ball.

APPLETON PLANS ON LARGER TURNOUT THAN EVER BEFORE IN ELKS' PIN TOURNAMENT

APPLETON.—A bigger bowling tournament that will bring to Appleton from 1,500 to 2,000 pin knights or nearly twice as many as were gathered in this city a year ago, is the aim of the committee in charge of preparations for the State Elks' Tournament scheduled in the Appleton Elks' Clubhouse from January 25th to March 11th.

James H. Balliet, secretary of the committee, announced that instead of the 230 teams that took part in the pin smashing in 1922, efforts will be made to induce 450 quintets to come here. The minimum number of teams estimated that will take part in the sport here will be 300.

Some 25,000 B. P. O. E. members of the 35 lodges in the State are co-operating with the local committee to put over the "Biggest Elk Bowling Tournament in the History of Wisconsin." Letters reaching Appleton indicate that nearly all cities will double or at least increase last year's quota of delegates. Appleton alone, which had 52 teams expects to have 65 units.

The following other cities will be represented at the Tournament: Anigo, Ashland, Baraboo, Beloit, Chippewa Falls, Eau Claire, Fond du Lac, Green Bay, Hudson, Janesville, Kaukauna, Koshong, La Crosse, Madison, Manitowish, Marinette, Marshfield, Menasha, Merrill, Milwaukee, Oconto, Oshkosh, Portage, Racine, Rhinelander, Rice Lake, Sheboygan, Stevens Point, Superior, Two Rivers, Watertown, Wausau, Wisconsin Rapids.

Expert Offers His Advice to Bowlers

By JIMMY SMITH

World-Famous Bowler

Many people make the mistake of trying to learn the sport of bowling in one trial. It can't be done. Bowling, like any other sport, requires time, patience and a desire to improve, if you seek to master the art of getting the pins.

I would advise the novice to start using a straight ball. He can either start it down the center of the alley or on the right side and let it work into the pins.

Regardless of the style of delivery used the most important thing is to hit the head pin. It is preferable to hit the head pin full rather than miss it entirely.

Hit the Head Pin
Seldom is a strike made if the head pin is missed, but many a strike is made when the ball hits the head pin full, a hit that is usually regarded as a possible split.

Great speed is not necessary to success. Some of the game's greatest bowlers use a slow ball, while others prefer a half speed.

A half-speed ball gives the pins a chance to work as the ball cuts through.

Control is the main thing, the most essential asset of any good bowler. When one acquires control he can increase his speed if he desires.

Curve Ball Destructive
A hook or curve ball is generally considered the most destructive delivery.

If a bowler uses a hook, he should make it a working hook. Don't use speed; not at first, because speed really doesn't knock down any more wood, and kills the hook because it doesn't give it a chance to work.

When throwing a hook take it easy and always try to keep the ball working on the right side of the pins. Start the hook along the right side of the alley and set it working so that it takes the curve as it nears the pins.

In making spares on the right side of the alley do not turn your hand at all, slide the fingers together in gripping the ball and shoot cross alley at them.

If you are right-handed move over to the left side of the alley and bowl across at the Nos. 3, 6, 8, and 10. If you are left-handed move to the right side of the alley and shoot across.

Practice, for practice makes perfect.

Kirk, Michigan Star, Dies In Hospital Today

YPSILANTI, Mich.—Bernard Kirk, star University of Michigan football player and chosen as an all-American end this year, died Saturday morning at a hospital here from injuries received in an automobile accident last Sunday. Kirk's skull was fractured.

Kirk, whose home was in this city, was injured when the automobile in which he was riding, crashed into a telephone pole. The injury to his skull resulted in meningitis which caused death. Eddie Usher, former Michigan varsity football player and captain of the Michigan 1921 baseball team, was in the automobile with Kirk, but escaped injury.

Kirk, besides being chosen on the all-American team this year, was selected as an end on the mythical all-conference and all western eleven. He was regarded as one of the best flankers in the country during recent years, being especially adept in receiving forward passes.

JIMMY GILL WINS BOUT WITH DARCY ON FRIDAY NIGHT

Jimmy Gill, the La Crosse Speed boy, won his bout after eight hard rounds with Stanley Darcy at Peoria, Ill., Friday night. It was a hard slug-fest from beginning to end, and Gill almost sent Darcy for the count in the sixth but the bell saved him. Gill is reported to have put up a wonderful fight.

KLANDRUD TO RACE WITH NORTH SIDE BOYS ON SUNDAY

Ole Klandrud, well-known speed skater in the city, will appear in a skating race at Copeland park Sunday afternoon with two other north side boys. It was announced by P. O. Mahlum, on Saturday. The race will start promptly at 3 o'clock.
